

Print in color or black and white.

Skill 2 - 18F: Capacity

Skill 18F Capacity: Milliliter and Liter

Directions: Circle the answer.

1 liter = a little more than 1 quart
1 liter = 1000 milliliters

<p>1.</p>  <p>more than 1 liter less than 1 liter</p>	<p>2.</p>  <p>more than 1 liter less than 1 liter</p>	<p>3.</p>  <p>more than 1 liter less than 1 liter</p>
<p>4.</p>  <p>more than 1 liter less than 1 liter</p>	<p>5.</p>  <p>more than 1 liter less than 1 liter</p>	<p>6.</p>  <p>more than 1 liter less than 1 liter</p>
<p>7.</p>  <p>more than 1 liter less than 1 liter</p>	<p>8.</p>  <p>more than 1 liter less than 1 liter</p>	<p>9.</p>  <p>1 quart more than 1 liter less than 1 liter</p>

Skill 2 - 18F: Capacity

Skill 18F Capacity: Milliliter and Liter

Directions: Circle the answer.

A medicine dropper holds 1 to 3 milliliters.
1000 milliliters = 1 liter

10.

more than 1 milliliter
less than 1 milliliter

11.

1 drop of water

more than 1 milliliter
less than 1 milliliter

12.

more than 1 milliliter
less than 1 milliliter

13.

Pitcher

more than 1 milliliter
less than 1 milliliter

14.

more than 1 milliliter
less than 1 milliliter

15.

more than 1 milliliter
less than 1 milliliter

16.

more than 1 milliliter
less than 1 milliliter

17.

more than 1 milliliter
less than 1 milliliter

18.

more than 1 milliliter
less than 1 milliliter

Answer Key
Skill 2 - 18F

1. more than 1 liter	2. less than 1 liter	3. more than 1 liter
4. less than 1 liter	5. more than 1 liter	6. more than 1 liter
7. less than 1 liter	8. more than 1 liter	9. 1 quart is a little less than 1 liter

Page 2

10. more than 1 milliliter	11. less than 1 milliliter (there are 20 drops of water in 1 ml)	12. more than 1 milliliter
13. more than 1 milliliter	14. more than 1 milliliter	15. more than 1 milliliter
16. more than 1 milliliter	17. more than 1 milliliter	18. more than 1 milliliter
