## Skill 3 - 24B

### Similar Figures

**Directions:** Are the figures similar? Circle yes or no.

**Similar figures have the same shape but not the same size.**

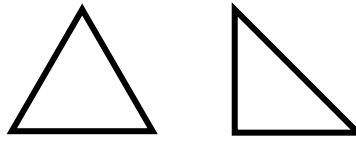

1.

yes

no

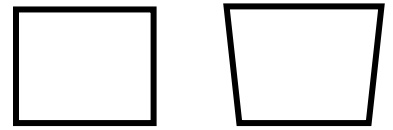

2.

yes

no

3.

yes

no

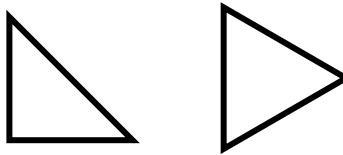

4.

yes

no

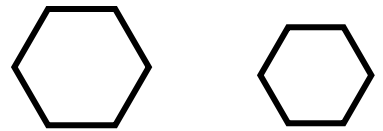

5.

yes

no

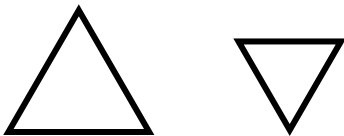

6.

yes

no

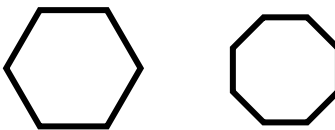

7.

yes

no

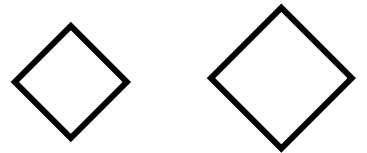

8.

yes

no

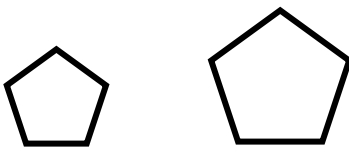

9.

yes

no

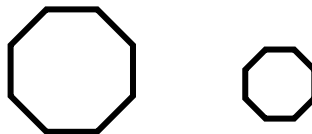

10.

yes

no

11.

yes

no

12.

yes

no

# Geometry

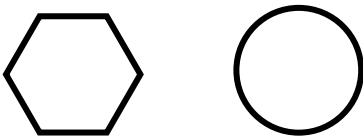

## Skill 3 - 24B

### Similar and Congruent Figures

**Directions:** Circle congruent, similar, or neither.

Congruent figures – same shape, same size.      Similar figures – same shape, not the same size.

13.

congruent   similar   neither

14.

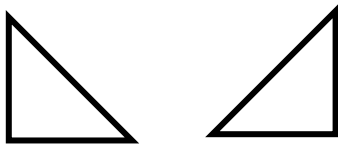

congruent   similar   neither

15.

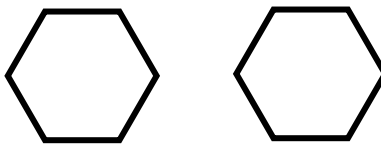

congruent   similar   neither

16.

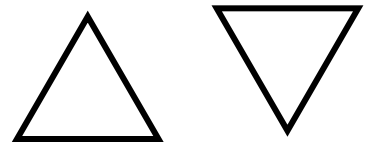

congruent   similar   neither

17.

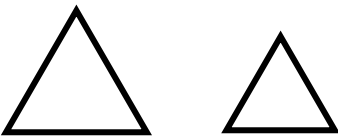

congruent   similar   neither

18.

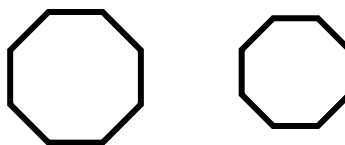

congruent   similar   neither

19.

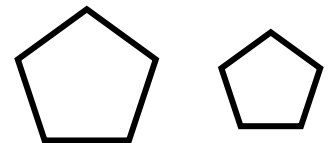

congruent   similar   neither

20.

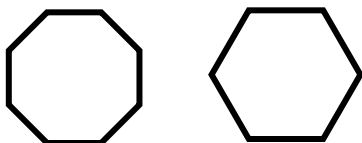

congruent   similar   neither

21.

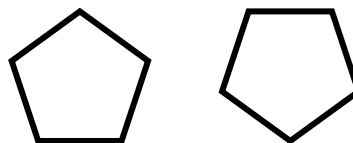

congruent   similar   neither

22.

congruent   similar   neither

23.

congruent   similar   neither

24.

congruent   similar   neither

Answer Key  
Skill 3 - 24B

1.                               2.                               3.  
      yes      no                        yes      no                        yes      no
4.                               5.                               6.  
      yes      no                        yes      no                        yes      no
7.                               8.                               9.  
      yes      no                        yes      no                        yes      no
10.                              11.                              12.  
      yes      no                        yes      no                        yes      no
13.                              14.                              15.  
congruent similar neither          congruent similar neither          congruent similar neither
16.                              17.                              18.  
congruent similar neither          congruent similar neither          congruent similar neither
19.                              20.                              21.  
congruent similar neither          congruent similar neither          congruent similar neither
22.                              23.                              24.  
congruent similar neither          congruent similar neither          congruent similar neither
