## Skill 4 - 1G

### Benchmark Numbers

**Directions:** Follow the directions for each problem.

3.

There are 10 ladybugs here.

**About** how many ladybugs are here?

Circle the most reasonable number

- A. About 20 ladybugs
- B. About 100 ladybugs
- C. About 500 ladybugs

4.

This jar has 50 gumballs.

**About** how many gumballs are in this jar?

Circle the most reasonable number

- A. About 50 gumballs
- B. About 75 gumballs
- C. About 200 gumballs

5.

There are 20 ladybugs here.

**About** how many ladybugs are here?

Circle the most reasonable number

- A. About 40 ladybugs
- B. About 100 ladybugs
- C. About 200 ladybugs

## Skill 4 - 1G

### Benchmark Numbers

**Directions:** Follow the directions for each problem.

6.

This jar has 150 gumballs.  
Use the number 150 as a **benchmark** to estimate the number in the next jar.

**About** how many gumballs are in this jar?

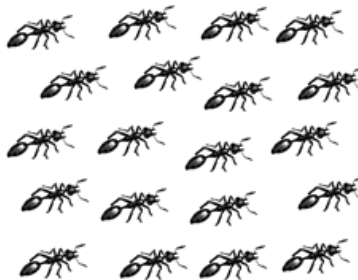

Circle the most reasonable number.

- A. About 100 gumballs.
- B. About 180 gumballs
- C. About 250 gumballs

7.

There are 5 ants here.

**About** how many ants are here?

Circle the most reasonable number

- A. About 10 ants
- B. About 20 ants
- C. About 100 ants

8.

There are 20 gumballs here.

**About** how many gumballs are here?

Circle the most reasonable number

- A. About 40 gumballs
- B. About 80 gumballs
- C. About 150 gumballs

Answer Key  
Skill 4 - 1G

**Benchmark Numbers**

Pg. 1

1. A. About 40 wheels

2. A. About 30 cookies

Pg. 2

3. B. About 100 ladybugs

4. B. About 75 gumballs

5. A. About 40 ladybugs

Pg. 3

6. B. About 180 gumballs

7. B. About 20 ants

8. A. About 40 gumballs
