

Measurement

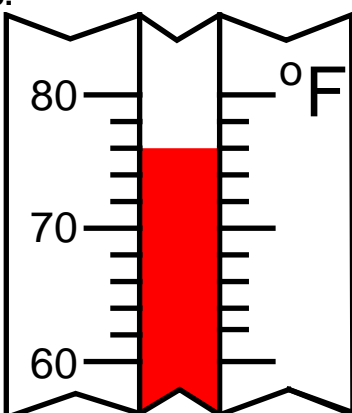

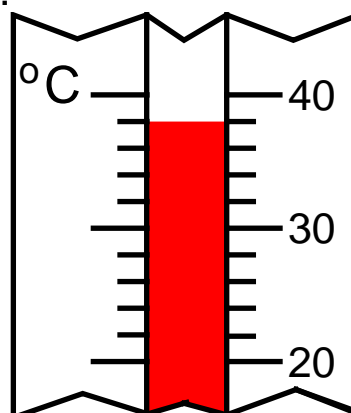

Skill 3 - 22E

Temperature: Fahrenheit and Celsius

Directions: Write the correct temperature in °F or °C.

1.  The temperature is _____	2.  The temperature is _____
---	--

3.  The temperature is _____	4.  The temperature is _____
--	---

5.  The temperature is _____	6.  The temperature is _____
---	--

Name _____

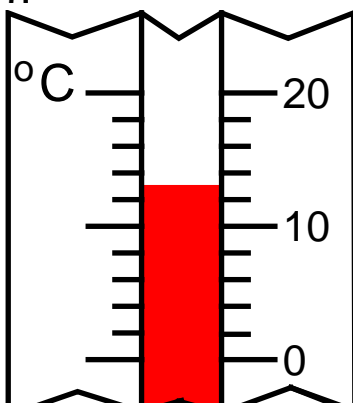

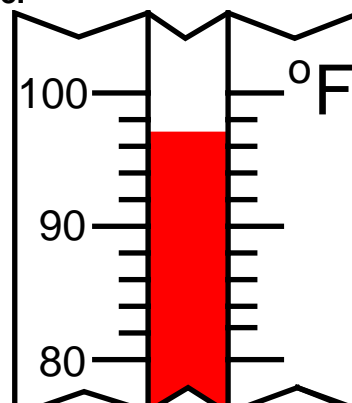

Date _____

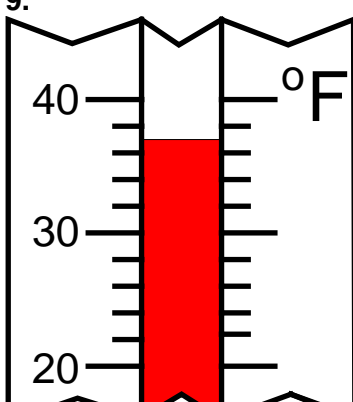

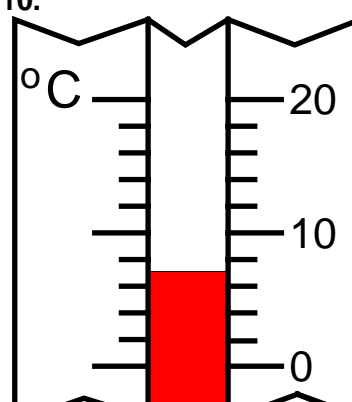

Measurement

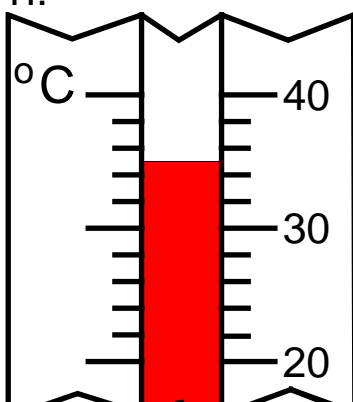

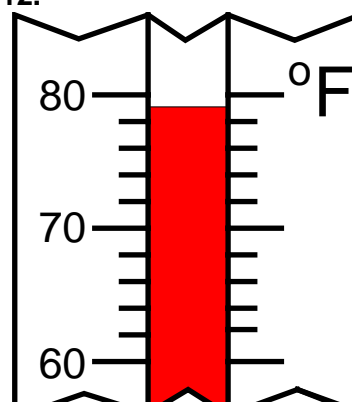

Skill 3 - 22E

Temperature: Fahrenheit and Celsius

Directions: Write the correct temperature in °F or °C.

<p>7.</p>  <p>The temperature is _____</p>	<p>8.</p>  <p>The temperature is _____</p>
---	--

<p>9.</p>  <p>The temperature is _____</p>	<p>10.</p>  <p>The temperature is _____</p>
--	--

<p>11.</p>  <p>The temperature is _____</p>	<p>12.</p>  <p>The temperature is _____</p>
--	---

Name _____

Date _____

Measurement

Skill 3 - 22E

Temperature: Fahrenheit and Celsius

Directions: Circle the best estimate.

1. a warm summer day

10°C or 80°F

2. a cold winter day

75°F or 30°F

3. a cup of hot chocolate

45°C or 45°F

4. a cold winter day

0°C or 60°F

5. a cool fall day

55°F or 85°F

6. water boils

100°C or 100°F

7. water freezes

32°C or 32°F

8. an ice cube

32°C or 0°C

9. a warm summer day

30°C or 65°F

10. room temperature

20°C or 60°C

11. water freezes

32°C or 32°F

12. water boils

212°F or 100°F

13. normal body temperature

98.6°C or 98.6°F

14. room temperature

68°F or 68°C

15. normal body temperature

37°C or 37°F

16. below freezing outdoors

22°C or 22°F

Answer Key
